Volunteer of the Month

Roger Landblom

This month we have Roger Landblom as our Volunteer of the Month. Roger has been shooting since he was 6 years old. So that means he has been shooting for 60 years! Roger has 2 favorites when it comes to his choice of favorite firearms. He has a customized 9mm S & W Shield that he uses for his carry gun and his favorite rifle is his .223 AR by Wilson Combat.

Roger has been volunteering at the pistol desk for almost 5 years. He also likes to shoot trap and rifles at The Shooting Park in Horace, ND. Maybe some of us will see you shooting trap soon!

Thank you, Roger, for all you do for the range. There is a lot of things we would not have been able to do without your support!

Membership Appreciation Picnic

June saw our membership appreciation picnic. Due to the rain and wind it was moved indoor. Poor Tom had to place the BBQ behind the wall at the rifle range and use the picnic table, so the wind would not cause the fire to go out. We had such yummy food too! 2 different kinds of pulled pork, hot dogs, salads, potato salad and so many other goodies. Prizes were given out and just friendly chatting throughout the day. A big Thank You to those that assisted with the cooking, setting up and tearing down the classroom.

AR League

The AR League Dates are set! The league starts on August 1st and will run through September 12th. Watch the website and upcoming newsletters for more information and rules.

Message from the Board

...

We will sponsor a Western Days event at the RRRMC in cooperation with West Fargo's West Fest. We will have a float in the parade on Saturday, Sept. 15th at noon. Then on Sunday, Sept. 16th, we will have several things going on at our range. Among them will be an open house with tours of both ranges, some short seminars on shooting safety, safety in the home and gun cleaning. There will be a food booth and some decorations around the grounds. A replica of a Gatlin gun owned by Gary Larson's son-in law will be set up to shoot and some other guns from the early days of ND. If you have any props we can use or ideas, please bring them to the committee. We will be working on a few more ideas.

Committee is made up of Gary Larson, Terri Suchy, Carol Gillett and Craig Roe, as an advisor.

GUN OF THE MONTH

<http://www.wideopenspaces.com/50-greatest-guns-time-pics/>

#42. M-16 – 1963

The M-16 was based on the AR-10, which was designed by Eugene Stoner. The M-16 and its variants started craze as a “modern sporting rifle.” It remains in use by the militaries all over the world. The U.S. military adopted the M-16 in 1969.

#41. Remington 700 – 1962

The Remington 700 is one of the most popular bolt action rifles available today. It was built from the ground up to be a mass produced. It is used by not only civilians, but with the military and law enforcement shooters worldwide. This is one of the most accurate out-of-the-box rifles ever.

Clean Up Week Has Ended

Clean up week was June 18th to the 24th. If it was not for the wonderful volunteers (who I will name at the end) putting in at least 268 hours of work, we would not have been able to get all the work need to be done.

On the rifle side the following was done:

Cleaned the fence around the patio

Cleaned and organized upstairs and down

Repaired the reflectors

Painted the entry

Painted pillars on the patio

On the pistol side the following was done:

Repaired a window in the office

Repaired a wall in the office

Painted the office

Painted the entry to the range

Painted the dark wall

Cleaned the storeroom

Thank You to the Following Volunteers. We could not have done it without you!
