## **Volunteer of the Month**

Gary Larson

This month our Volunteer of the Month is our own "Brass Master" Gary Larson. Gary spends many hours at the range working on sorting all the brass that is swept up nightly from both the pistol and rifle ranges. Once sorted he puts together packages to sell to the public and members who like to reload. Gary is also one of our board members. With all the hours he puts in at the range we could say this is his 2<sup>nd</sup> home.

Gary joined the range in 2014 and has been shooting for over 60 years. As almost every shooter in the world has a favorite firearm they favor, Gary is no different. The Colt Single Action is his favorite pistol, while the Sako 30-06 is his favorite rifle.

If you want a chance to talk to Gary about the sorting of brass, feel free to stop in the range to chat. In September during our Western Days event Gary will be bringing in a Gatling Gun that will be available to try out!

Thank you, Gary, for all you do for the range! You truly are the "Brass Master" Extraordinaire.

## **Volunteers Needed**

We need volunteers for the upcoming West Fest Parade on Saturday, September 15<sup>th</sup> and the Western Day at the R3MC on Sunday, September 16<sup>th</sup>. We will put a volunteer sign-up sheet in the pistol range. Please look and see if you can assist. We're also looking for items to help set the mood: rail fence, metal or wooden buckets, straw bales, saddles, etc. We'll also need volunteers. This might be the perfect opportunity for those of you who aren't ready to RSO or work behind the desk but want to help the range. If you have questions reach out to Carol Gillette at 306-3031 or call the range.

## **Message from the Board**

...

\*\*Every month we will include how many memberships and members the range has. The numbers will differ due to family memberships allowing for more than 1 member. We want to show how the numbers can change from one month to another. If it was not for the members, walk-ins and volunteers we would not have the great facility that we have.

\*\*If you are interested in reading up on the board meetings or financials this is available for any member to review. They are in the office. Unfortunately, they cannot leave the office so please set up a time with Terri or a board member to review those.

# Clean Up Week

## Correction

In last month's newsletter, I mistakenly left out a couple of people who assisted with clean-up week. Alice Christianson and Bill Tomhave had given up time and energy to help get the ranges back to looking spiffy and clean. Alice and Bill, I apologize for leaving you out. Thank you both for your help!

## AR League

It's not too late to join the AR League. It started August 1 and will run through September 12. Sign-up fee is \$20. There are 6 matches (10 rounds on each of 2 targets) and match fees are: \$15 for non-members, \$5 for Standard members and \$0 for Premium members. You can shoot the matches at any time as long as they are completed by September 12. Bring your friends and join us at the range.
