

Youth .22 Handgun League

This winter we are happy to offer a junior handgun league. This league will be similar to the adult handgun league that was started last year with one important difference, COACHING will be available for kids that want to make use of it. The plan will be to hold a few kickoff meetings in early December which explain the rules and give some basic shooting instruction. After these meetings, participants will be able to shoot their league targets during any open shooting time, but we will publish a schedule when coaches will be at the range to provide individual assistance.

League rules are designed to be as simple and straight forward as possible. The goal is to provide the basis for a skill that we hope the kids will enjoy for a life time. The Range has made a limited number of 22 handguns available for those that don't have a suitable firearm.

Basic Rules:

- 1) Ages 12-18 – MUST be accompanied by a responsible adult during firing.
- 2) Any 22 caliber handgun, pistol or revolver
- 3) Open or iron sights only. No laser dots or optical sights
- 4) Time will be limited to no more than 1 minute per shot.
- 5) Course of fire is 30 shots, 10 shots at 10 feet, 10 shots at 20 feet, and 10 shots at 50 feet.

League Fee: \$20.

Match Fees: \$0 for range members, \$5 for non-members

If you have questions or would like to sign your child, please contact the range 356-0677 for more information.
