

RRRMC CENTERFIRE RIFLE LEAGUE

Red River Regional Marksmanship Center is organizing a Centerfire Rifle League beginning 1 December 2018 and ending 27 January 2019.

This will be a Benchrest League and will be divided into three categories: Custom/Modified Class, Varmint Heavy Barrel and Factory Sporter Class. Each category would shoot a different size target. These will be Shoot For Score Matches.

Rifle calibers allowed to compete can be anything from .17 caliber centerfire thru .30 caliber. [300 Ultra Mag and 300 Weatherby Mags will not be allowed]

There will be a total of eight League Matches. Each match would start with a 3 minute sight in period (you can bring your own sighter targets) followed by shooting 2 record targets. You will be allowed 6 minutes to fire 10 rounds on each record target. A countdown timer will be used during these events.

You will shoot the 1st record target following the command of the Range Safety Officer. There will be a short cease fire. Then you will shoot the 2nd record target.

Due to limited benches you can shoot these matches anytime during open shooting hours but they must be shot in the presence of a Range Safety Officer. Your targets will then be placed in a drop box for official scoring. The last match must be shot by Sunday, 27 January 2019.

There will be a standard \$20.00 League Fee. This fee covers all 8 Matches. Standard members will pay a \$5.00 shoot fee and non-members will pay a \$15.00 walk in fee for each match shot. Premium members pay a \$20.00 League Fee only. **All participants must have a Liability Waiver on file.**

**RRRMC SHOOTING RULES WILL BE ENFORCED DURING
LEAGUE SHOOTING, NO EXCEPTIONS!!!**
