Exciting Things Coming To The Range

January Volunteer of the Month

Greg Nellermoe

January's volunteer of the month is Greg Nellermoe. Greg has been shooting and hunting for 42 years and competing for 8. He has been volunteering at the range since about 2011, spending most of his time on the Pistol Side.

Like most shooters, Greg has a favorite handgun and a favorite rifle. For the handgun his favorite is the 1911. I see a trend with our volunteers as this is a favorite of many. His favorite rifle would be his AR15. I believe this is a first, but we do see a LOT of shooters who shoot the AR15.

Outside the range, Greg has a few favorites he enjoys doing. During the fall he enjoys hunting with his daughter Olivia. Spring and summer bring the pistol competitions (USPSA) and of course fishing.

If you are interested in learning more about FMPSA or USPSA reach out to Greg. He is the man to ask! Thanks Greg for all you do.

****On a side note, since it is harder to get pictures of the volunteers, I will do my best to find a picture of them on Facebook or if I run into the volunteer at the range, I will get a picture. If I am unable to get a picture from them, I will have to post the Volunteer of the Month w/o a picture. If you are a volunteer and would like your picture posted, feel free to email me a picture to be added. Thanks for understanding.

Member owned and operated since 2009.

Message from the board

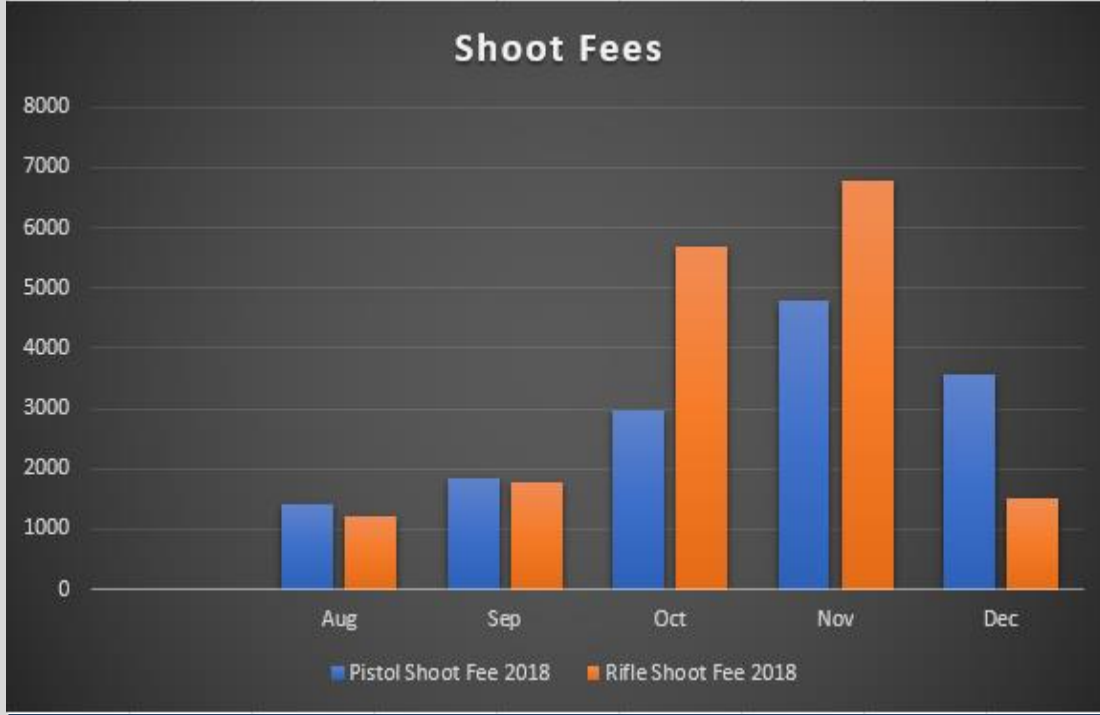

With the new year upon us, the board has made some changes. We would like to thank Ward Gillett, Bill Sparke and Lavoy Wilcox for their services. We also want to welcome Lisa Dirk, Greg Grove and Pat Gores to the 2019 board. This year is a special year for the range as we are celebrating our 10-year anniversary! We are currently planning some special events to celebrate later this year. We'd like to thank all of you for helping us make it to this milestone!

Trap Youth Night

Starting in March we will have a trap youth night for ages 10 and older. This will be through the West Fargo Park Board and run 4 weeks on Monday evenings from 6p-8p. Instructors will go over safety, rules and etiquette on the first night. The following Monday's we will go over reminders and let the shooters spend the rest of the time shooting with the simulator. No live ammo will be used. More information to come, so look to February's newsletter, Facebook and the West Fargo Park Boards magazine and website.

Trap Simulator to Open to the Public

For those of you who have been asking about the trap simulator, we have good news! We will be opening the simulator to public use. Since there is a lot that goes into using the simulator we will have limited hours that the simulator will be available for usage. So here is the lowdown on how you too can enjoy the simulator, whether it is just a night of shooting, practicing for the upcoming season or if you want to celebrate a birthday, bachelor or bachelorette party.

1. Must sign up in advance by emailing r3mctrap@gmail.com. If you are wanting to set up something for a private event, you can email or call Terri direct at the range. No walk-ins allowed as only limited people can run the machine.
2. The shoot time will be 30 minutes at a cost of \$5 per person and not included as a membership perk.
3. You will shoot your own shotgun. No ammo is needed nor is it allowed in the range. This is a strict rule, so please make sure your chamber is empty.
4. We do have a couple range shotguns that can be used if you wanted to check the simulator out but don't have a shotgun.

The simulator will be open to the public from February 1st to May 31st. Then reopen October 1st to May 31st. The days available will be Tuesday's from 6-8p; Saturday's from 1-5p and Sundays from 3-5p. Depending on popularity we may add additional days. As always, if we have special events in the range or private parties, these hours can change.

If you have questions, feel free to email me at the email above and I will be happy to answer those questions.

Watch the calendar and website for upcoming demo nights!

AR league and rimfire rifle league
are starting February 1st through April 19th.

Range Calendar

Lockers

We have lockers available for anyone who is interested in renting a locker here at the range. The cost is \$50.00 a year. Contact Terri at the range for details.

VOLUNTEER COMMITTEE MEMBERS NEEDED

Greeting Members,

I am forming a committee of volunteers for the purpose of doing the maintenance and improvements at the RRRMC. We will work on the HVAC, electrical and buildings in general.

If you are mechanically inclined and would like to help, we will meet at the range for an introductory meeting at 6:00 pm on January 23.

If you would like to join the committee but can't make this date work, please call me at 701-261-6259
