

The R3MC

Vol.1 No.

RRRMC, West Fargo, ND

Date 3/2019

Volunteers of the Month Gary Haynie and Howard Fleury

I must apologize for not getting a newsletter out for February. Between work being extra busy and then doing other things for the range and so forth, the month got away from me. So, I will be having 2 Volunteers of the Month for March.

First will be Gary Haynie. Gary started volunteering here at the range within the first 2 years of the R3MC opening. He has tapered off some recently, so we don't get to see him much! Gary has been shooting since he was about 8 years old, when his dad would sometimes take him and his brothers (5 in all) out to shoot a .22 rifle.

Gary's favorite gun to shoot is the FN 5-7, it is easy to shoot and very accurate. When Gary volunteers he spends his time almost exclusively on the pistol side as an RSO and shooting.

Outside the range, Gary stated all he does is work. Well, Gary thank you very much for the time you put in here at the range. We appreciate you!

Our second Volunteer of the Month for March is Howard Fleury. Howard is a pastor of Crossroads Christian Fellowship in Moorhead as well owns his own Gun Shop – Northern Plains Gunworks. Howard has been shooting for over 50 years, starting prior to entering the Marine Corps in 1968.

Howard is a Ruger fan with his favorite being the Super Redhawk Alaskan in .44 Mag and the M77 .308 Win. Howard spends more time on the pistol side shooting and volunteering, having been volunteering for at least 6 years.

Thank you, Howard, for all you do for the range!

**Member owned and
operated since 2009.**

Message from the board

This year the range will be celebrating 10 years! We are currently planning events for the fall to celebrate this milestone. Watch for updates on the website and Facebook, we plan on welcoming the public to the range for a great experience. Please help us spread the word about the upcoming events.

**Follow the
RRRMC on
Facebook!**

Trap Classes

We have worked out with the West Fargo Park Board the trap sessions for the months of March, April, and May. Our March class filled up within a couple days of being posted. April will be posted in March. How it works is the class is Monday nights for 4 weeks. The first Monday will be for all 10 students who will go through the classroom time at 6p. We should be done before 8p unless we have a lot of questions. The following 3 Mondays will be split up between the 10 students. The first session is 6p-7p and the 2nd session is 7p-8p. May will be the last month for this and we will start up again in October. Please check out the West Fargo Park Boards website for opportunities to sign up. ****Bonus** – If your son or daughter wants to attend the class but does not have a shotgun, we will have 5 youth size guns for them to use during the class. Donations are welcome to alleviate the cost of the youth shotguns. If you feel like donating, advise the front desk person or Terri that you are donating towards the Youth Trap Guns.

Hunter's Safety

The RRRMC has some Hunter's Safety classes coming up in March and April. The March class is full, but we may be able to get students post registered. April's class will be a home study course. For class times and dates visit the ND Game and Fish Website.

50/50 Fun shoots

We would like to get back into doing the 50/50 Fun shoots and are looking for some great ideas. If you have any fun ideas that would work for an indoor range, send me an email and I will work with Terri and see if HIRAN can get some of those going.
